către eu

In luna februarie, Europass Teacher Academy a organizat in Italia, la Roma in cadrul unui Program Erasmus+ in Italia - Roma, cursul "Traditional Arts and ICT Art Tools for Teaching your Subjects and Promoting Life Skills". Acest curs mi-a oferit oportunitatea sa-mi actualizez tehnicile si metodele de lucru in predarea artelor.

Am invatat metode noi, specifice artei digitale.

Tehnicile si metodele insusite in cadrul proiectului le-am aplicat cu succes in lectiile de la clasa (limba romana, arte) prin utilizarea aplicatiei: <https://makebeliefscomix.com>
